

FUTURE PIPE INDUSTRIES EXECUTIVE VICE PRESIDENT ATTENDS “ARABIAN LEADERS OF THE FUTURE ASSOCIATION” (ALFA) SUMMIT, HOSTED BY GLOBAL MANAGEMENT CONSULTING FIRM A. T. KEARNEY

Dubai, March 25, 2014: Mr. Imad Makhzoumi Executive Vice President and member of the board of Future Pipe Industries (FPI), a leading global provider of fiberglass pipe system, was recently invited by A.T. Kearney to attend the “Arabian Leaders of the Future Association” (ALFA) Summit.

The Summit, held in Abu Dhabi, brought together global thought leaders and senior executives representing leading businesses in the GCC. Key speakers included leading experts from Mubadala Group, Spinneys, and Center for Strategic International Studies in Washington D.C. in addition to A.T. Kearney.

The Summit has established itself as an important forum to discuss issues pertaining to the Middle East business market uncovered by A.T. Kearney’s global research. The summit highlighted the strategic challenges faced by GCC leaders and provided the participating senior executives with rich opportunities to define immediate next steps in key areas.
